06/20 Highways

Speed Reduction Signs

Clir North reported that the speed sign at the bottom of the hill was fine, however, the one at the top stopped functioning. The manufacturer had come out and it had been repaired under the guarantee. Cllr North agreed that she would get in touch with an appropriate handy man. The battery charge seemed to last 6-7 weeks

Fen Lane

The Clerk reported that she had chased up all the referrals she had made on Fen Lane and on other areas. The highway department had only responded on one matter to say that the case was closed regarding the drawing of the white lines and word "Slow". It was hoped that Cllr Brockway could pick this up. It appeared that both the AA and Green Flag motorist service had been called out to this location at numerous points due to the pot holes and motorists getting stuck. It was agreed that the clerk would see if AA and or Green Flag would confirm the position.

At the roundabout by Fen Lane/ Burton waters there was a series of ruts which seemed to be getting bigger. It was agreed that the clerk would report it.

Verge Mowing

Cllr North had checked it out but had been advised it was too early to know when the cuts would be done.

Village Sign

It was clarified as to the exact location. The clerk to confirm to the County Council.

07/20 Planning Matters

139494 This was granted but plans had been changed. There are also numerous conditions. Hall Drive A referral had been made and an outcome was awaited,

08/20 Internet Connection
